

DivAmigo

An All-in-One Women's Safety, Support & Empowerment App

Presented by: **MATTIREDDY DIVYA SAI**

Department of MSc Computer Science

A Gentle Companion for Every Woman

Women today face multifaceted safety and emotional challenges.

DivAmigo is designed as a gentle, all-in-one companion, supporting safety, mental well-being, legal awareness, and empowerment.

Holistic Safety

Physical and digital protection

Emotional Comfort

Support for mental well-being

Empowerment

Knowledge and resources

Addressing the Gaps: Why a Holistic App?

Women often struggle with a range of interconnected issues, yet existing solutions address only one problem at a time.

Domestic Violence & Harassment

Lack of immediate, discrete help.

Emotional Distress

Limited access to mental health support.

Lack of Legal Knowledge

Unawareness of rights and resources.

Privacy Risks

Vulnerability in digital spaces.

Scattered Support

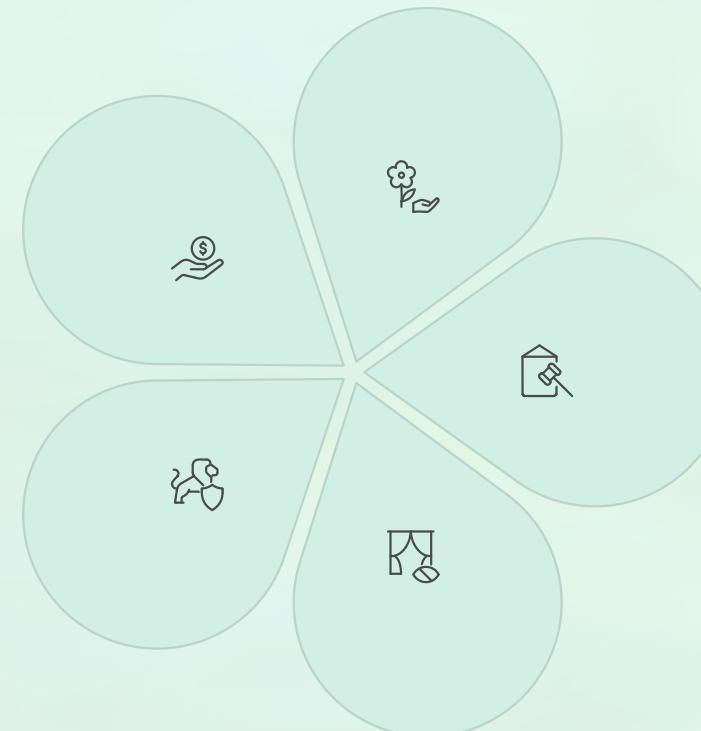

No single point for comprehensive aid.

Our Vision: Comprehensive Women's Support

To build a holistic women's support app that addresses multiple critical needs.

Protects Safety

Encourages Empowerment

Offers Emotional Comfort

Provides Legal Guidance

Ensures Privacy

Key Features: A Multidimensional Approach

- Emergency Safety

SOS, 112/181 calling, silent alerts

- Violence Guidance

Domestic violence support & safety planning

- Legal Awareness

Legal rights + govt schemes

- Emotional Support

Chat & mental wellness tools

- Secure Diary

Encrypted journaling for evidence

- Nearby Support

Shelters, police, NGOs locator

- Empowerment Tools

Jobs, skills & training resources

- Multilingual Comfort

Local language support

Why DivAmigo Stands Apart

01

Complete Ecosystem

Unlike single-purpose apps, DivAmigo offers holistic support.

02

Trauma-Aware Design

Gentle, intuitive interface for vulnerable users.

03

Unique Combination

Integrates emotional and safety support, a rare blend.

04

High Privacy & Security

Hidden mode, quick exit, encrypted notes for user safety.

05

Localised Support

Available in Telugu, Hindi, Tamil, and English for wider reach.

06

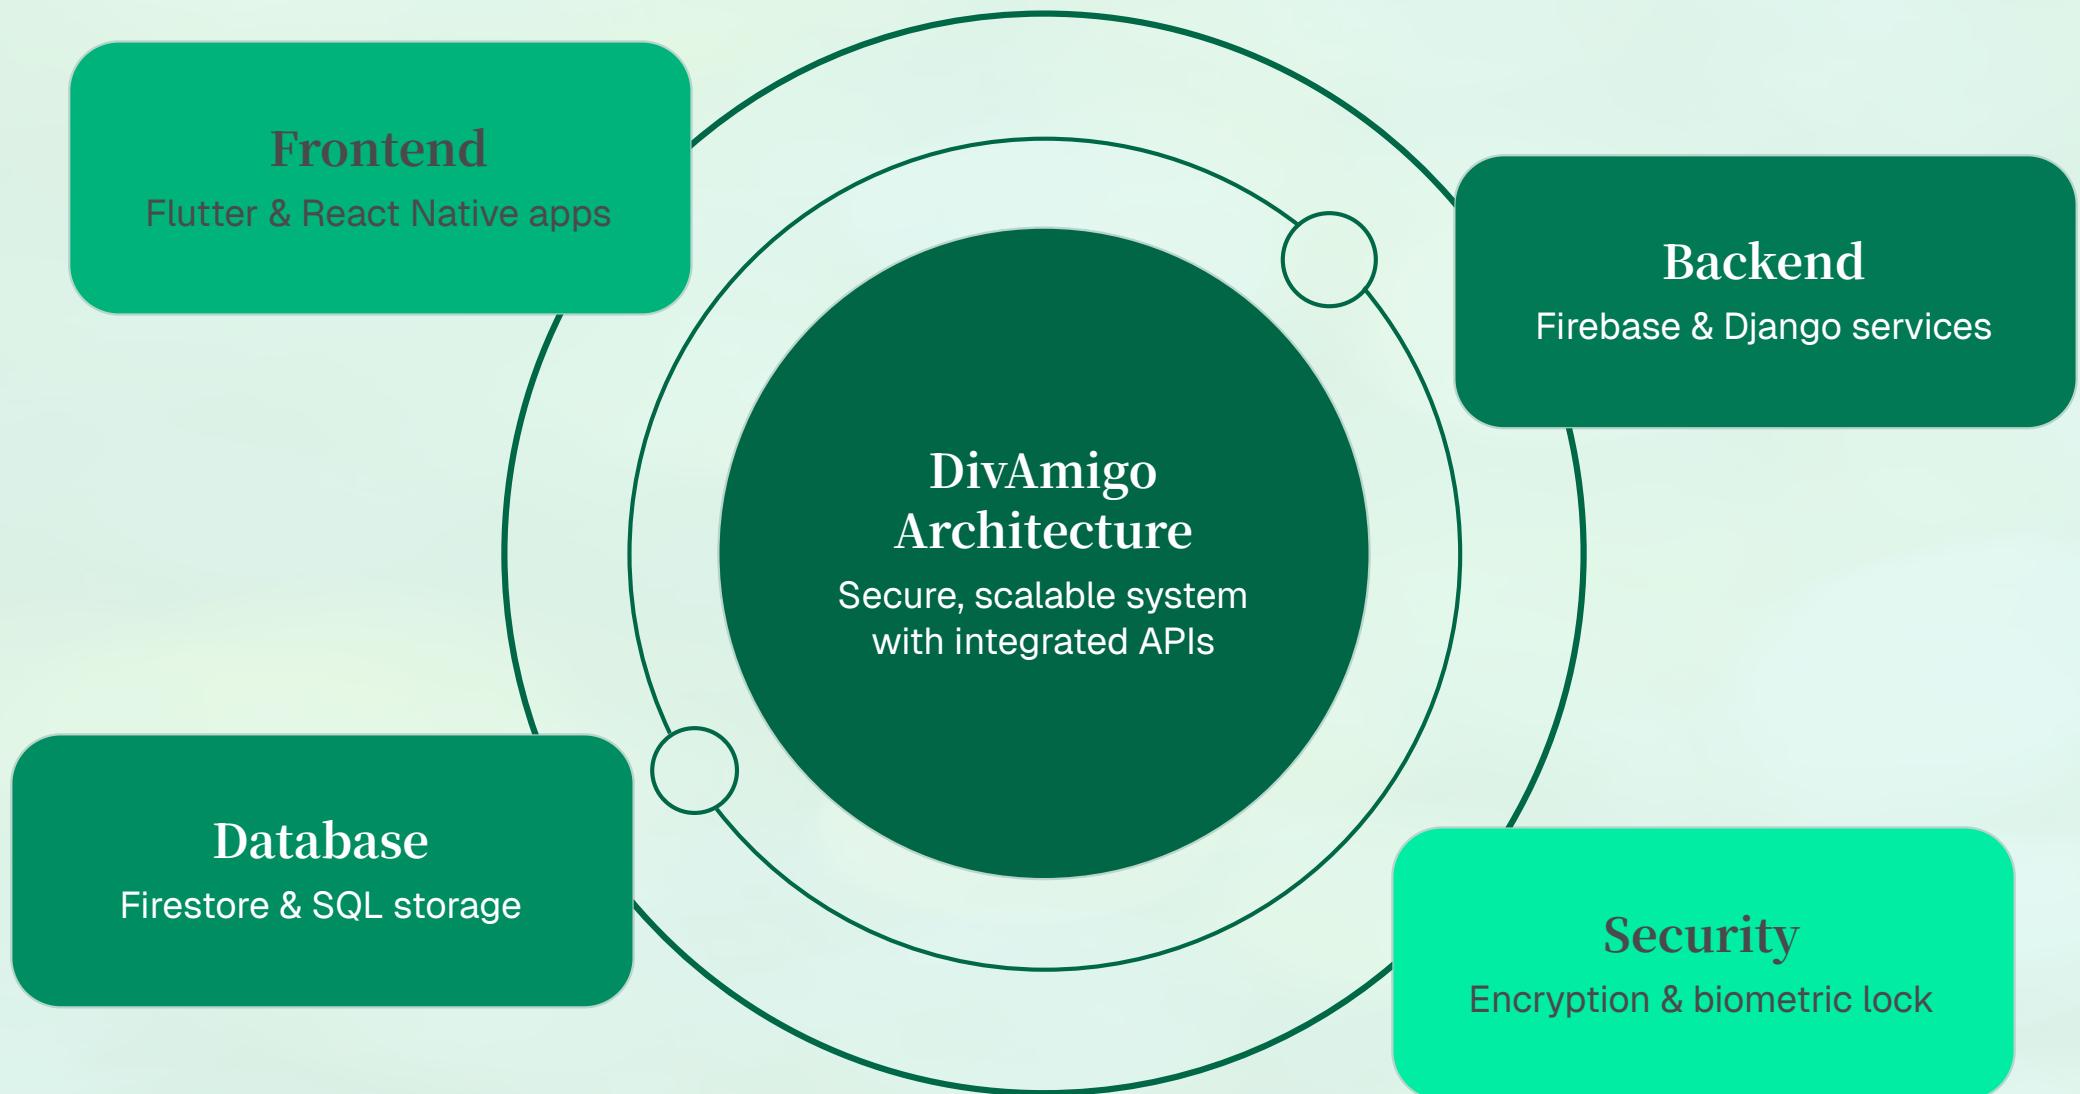

National Alignment

Supports India's vision for women-welfare initiatives.

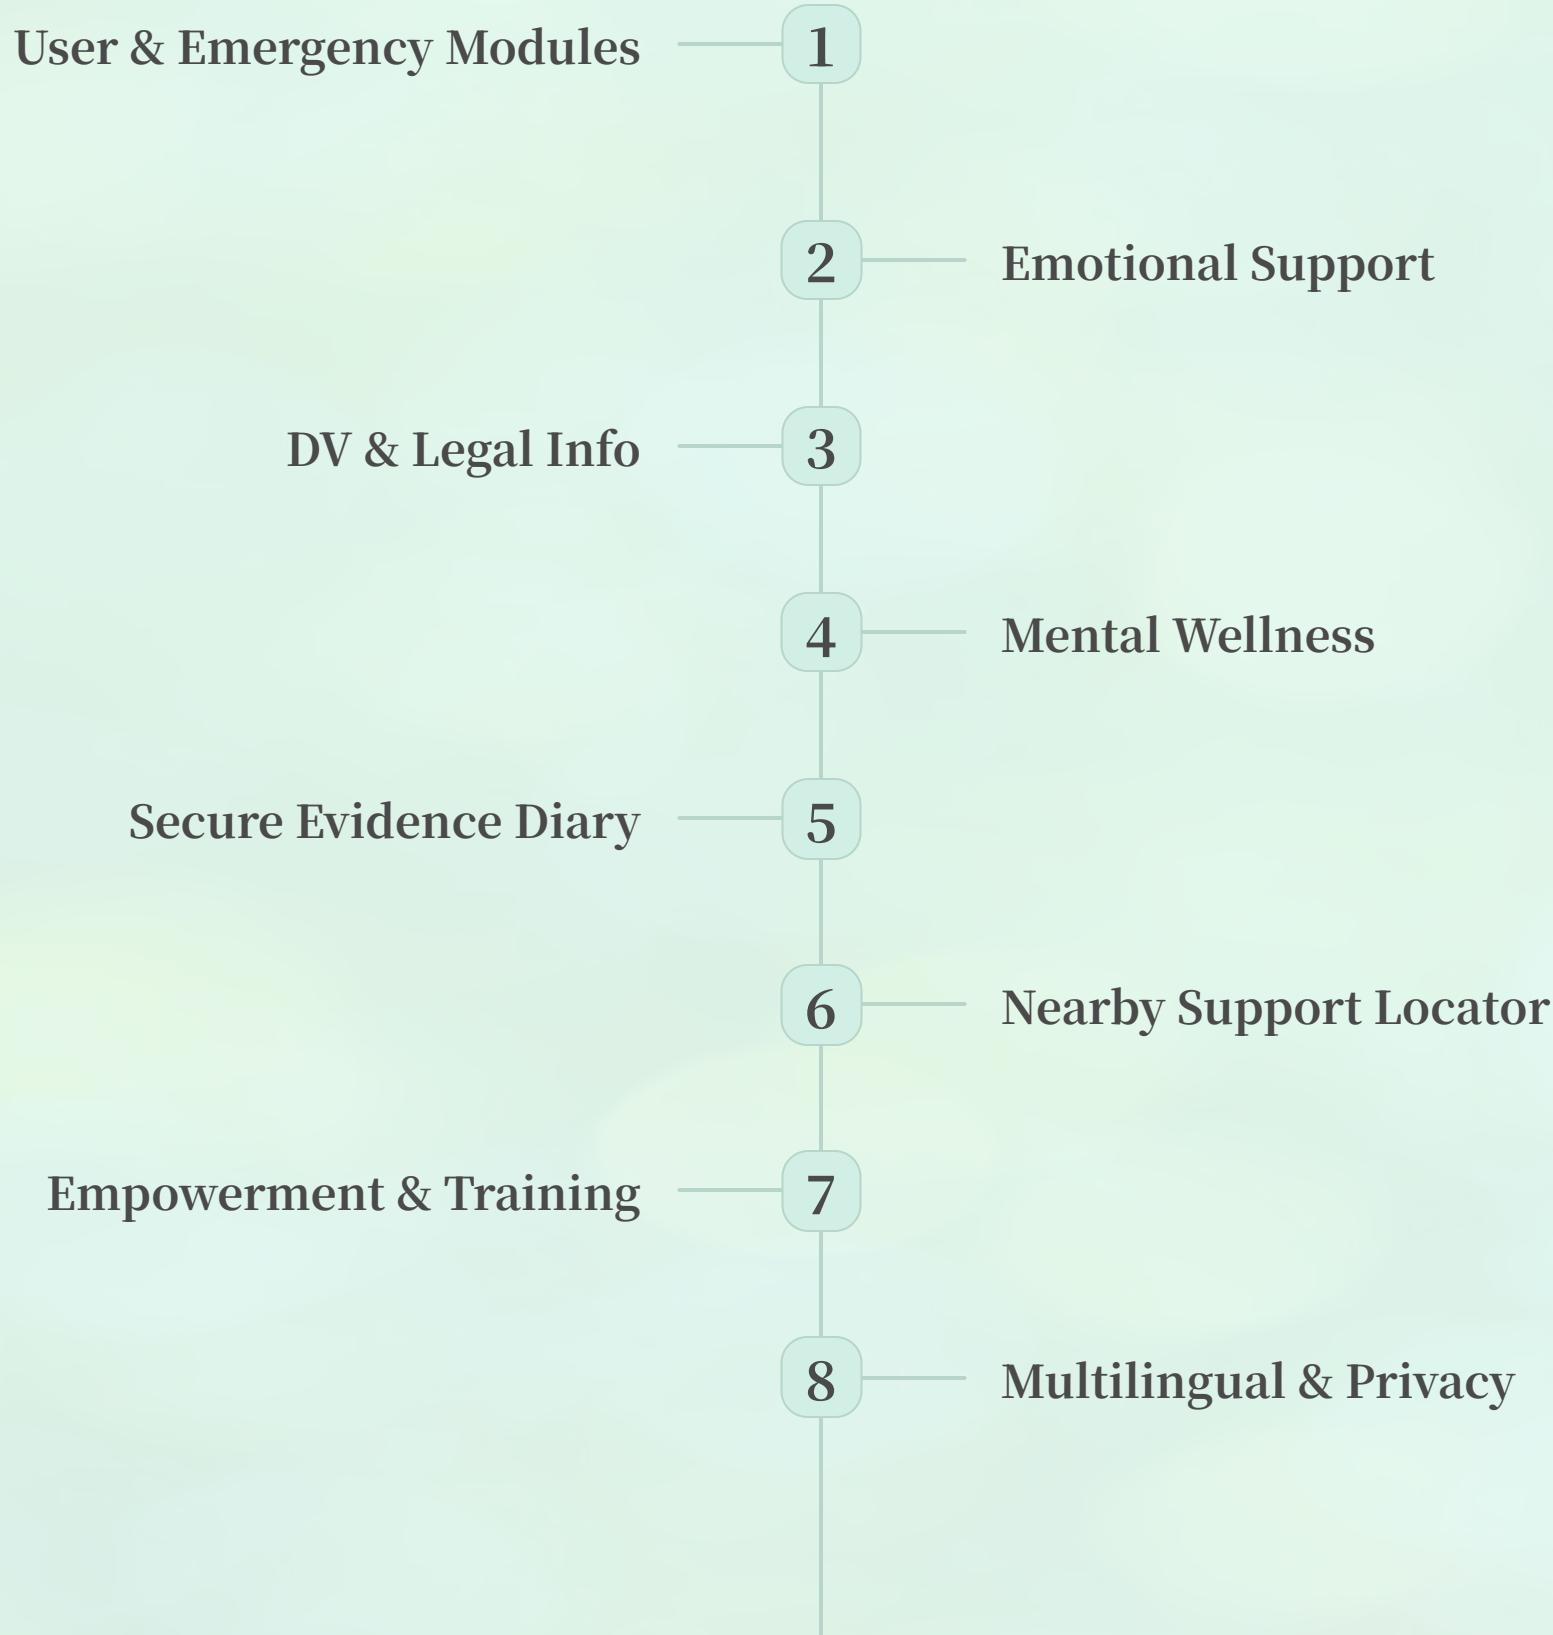

Robust System Architecture

Built with reliable technologies to ensure security and scalability.

Our architecture prioritizes **user data protection** and seamless functionality.

Integrated Modules for Comprehensive Care

Expected Outcomes: A Brighter Future

Enhanced Safety

Increased personal security and immediate help.

Evidence Security

Ability to safely store crucial information.

Emotional Resilience

Greater relief and confidence in challenging times.

Accessible Resources

Easy access to local support networks.

Informed Choices

Clear awareness of rights and available helplines.

Empowered Lives

Improved independence and self-reliance.

DivAmigo: More Than Just an App

It is a soft, supportive, all-in-one digital companion designed to protect, comfort, and empower women across India.

A Digital Friend

Empowering Women

Aligned with India's Vision

Thank you! 🌱❤️
